

Remarks

In view of the above amendments and the following remarks, favorable reconsideration of the outstanding office action is respectfully requested.

Claims 1, 3, 4, 6-13, and 15-21 remain in this application. Claims 1, 13, 15 and 21 have been amended. Claims 2, 5 and 14 have been canceled.

**1. Drawings**

The Examiner has indicated in the accompanying form PTO-948 that the formal drawings previously submitted have been approved.

**2. Specification**

Typographical errors in the specification have been corrected in the paragraph beginning on page 4, line 4 as appropriate.

**3. Allowed Claims/Subject Matter**

Applicant notes with appreciation that the Examiner has indicated the subject matter of claims 2-4, 6, 11, 12, 14-17, 20 and 21 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Independent claim 1 has been amended such that it now contains the limitation of deleted claim 2 and is therefore in condition for allowance. Claims 3, 4, 6-8, 11 and 12 all depend from amended claim 1 and are therefore also in condition for allowance.

Independent claim 13 has been amended such that it now contains the limitation of deleted claim 14 and is therefore in condition for allowance. Claims 15-21 all depend from amended claim 13 and are therefore also in condition for allowance.

**4. Conclusion**

Based upon the above amendments, remarks, and papers of record, Applicant believes the pending claims of the above-captioned application are in allowable form and patentable over the prior art of record. Applicant respectfully requests reconsideration of the pending claims 1, 3-4, 6-13, and 15-21 and a prompt Notice of Allowance thereon.
